

KWIK KLEEN

GRAIN CLEANER

- **KWIK KLEEN** allows you to clean your grain at harvest time. Clean grain dries and stores better, saving you time and money.
- **KWIK KLEEN** is compact to fit in confined areas but large enough to keep up with most harvest conditions.
- **KWIK KLEEN** has variable speed control and grain feed rate adjustment. Cleaning area is full circumference of tubes. The majority of cleaning is done on the sides and tops of tubes.
- **KWIK KLEEN** has a spring loaded hopper and easy-to-remove one-pin hitch that enables you to back cleaner up to grain storage bins to clean stored grain.
- **KWIK KLEEN** can be used for sizing and separating certain grains.
